

# AUGMENTATIVE ALTERNATIVE COMMUNICATION

# AAC TRAINING

## TRAINING GOAL

- Learn about AAC and how to support communication for nonspeaking clients.
- Develop communication tools and strategies.
- Discover resources available for AAC.

## PRESENTER

Krystle Wright is a speech language pathologist and assistive technology specialist with 10+ years experience working with pediatrics and adults. Krystle is passionate about educating the community about AAC because everyone has something to say and nonspeaking individuals deserve to be heard.
