

Date: July 1, 2021

To: San Andreas Regional Center Stakeholders and Community Members
From: Gina Jennings, Community Resource Development Plan Specialist
RE: Survey - Development Funding for Fiscal Year 2021/2022

We need your help! Let us know what is important to you!

WHO: If you receive services from SARC, are a family member, a service provider/vendor, a staff member, or any other stakeholder, **please take a minute to respond to this survey with your thoughts and ideas.** See link below!

WHAT: San Andreas Regional Center (SARC) plans to develop new services and supports in the community through the Community Resources Development Plan (CRDP) each year. Responses to this survey will help shape future service development.

WHERE: You can access the survey [here](#).

WHEN: The survey is open **now**! Please submit your responses by **July 31, 2021**. It will only take a few minutes.

WHY: The Department of Developmental Services (DDS) and SARC know that input from stakeholders representing our diverse service area is critical when identifying funding priorities. Funding priorities include safety net services and supports to reduce reliance on restrictive settings in the community. Past CRDP projects have included Enhanced Behavioral Support Homes for Children and Adults, Dementia Care Training, Enhanced Supported Living Services, and several other projects.

Your participation matters!

If you have questions or would like further information, please contact me at gjennings@sarc.org.

Sincerely,

Gina Jennings
