

Individuals' Rights

HCBS Office Hours – Via Zoom

Thursday, August 27 | 10am-11:30am

We begin with a 15-minute presentation followed by an open forum for discussing all things related to HCBS.

HCBS rights are designed to ensure that individuals receiving our support are treated with respect and have the opportunity to live as independently as possible while fully participating in their communities. These rights include being informed of options, making informed choices about their lives and services, and having those choices honored to the greatest extent possible while ensuring health, safety, and individual preferences are respected.
