

Supporting People Who Do Not Use Words

HCBS Office Hours – Via Zoom

Thursday, December 17 | 10am-11:30am

We begin with a 15-minute presentation followed by an open forum for discussing all things related to HCBS.

Communication: Remember to begin with understanding that the person you are speaking with has preferences and the ability to communicate with them. This may be in the form of facial expressions, gestures, body movements, behavior changes, pictures, etc. Our goal is to understand their communication and create opportunities for them to express themselves.
